Dear Academy International Community,

The Academy International Parent Teacher Organization values you, your volunteer time, and needs your input as an active member of our organization. We love seeing new faces and really cherish the fact that we have so many involved parents, grandparents and community members at our school! We strongly believe that all family members, teachers and staff should be a part of our organization, therefore, we do not require dues for you to join and become a voting member. You simply complete and return the membership form below.

What the AIES PTO does to enhance the school experience for our children:

- Coordinates volunteers from the AIES community in support of our school activities and events.
- Works directly with teachers and staff in the classroom, office or workroom.
- Funds grants, large and small, requested by the AIES staff for materials, curriculum, technology and other items.
- Hosts many extracurricular activities benefitting and bringing together our AIES students, faculty, and community.

Not only is your time a gift to our school, volunteering positively impacts your student's school experience in countless ways. In addition, we firmly believe that the best way to hear the latest school and district updates and be a part of the conversation is to attend the PTO meetings. Join the PTO to be in the know!

Thank you for everything you do for our school!

Sincerely,

Colleen Conlin,
AIES PTO President

PTO Membership Form
